Wow! Over 700 downloads! Thanks again for all the great feedback and support! Join the crowd and download now! Body language and non-verbal communication make up 93% of all the signals we send out into the world. The problem is that very few people are aware of their body language and how it can impact their lives. We spend all our time practicing, reciting, and focusing on what we say. Unfortunately, words make up only 7% of the message. But there are a few leaders who understand the power of non-verbal communication and they are currently reaping the rewards. This book will teach you how these Alpha leaders are changing the way we conduct business, interviews and sales, how we date, and even how we interact with our families. Body language is a skill that can be quickly fixed and you will begin to see numerous benefits. So download now and learn how to practice the art of Alpha Body Language.
