

Coach to Coach: Business Lessons from the Locker Room (Warren Bennis Executive Briefing Series)

No matter if you're in the locker room or the board room, the basic team principles apply. John Robinson, University of Southern California head football coach and master recruiter, knows what it takes to build a winning team on and off the field. You'll get to-the-point advice on basic team-building principles: Create a vision and lead your team with it. Share the vision and get agreement from other team members. Focus on processes and implementation. Recruit appropriate team players. Cultivate skills of fellow leaders and team players. Develop your own coaching style of management with the ideas in this book.
