

# The Glad Scientist Learns about the Weather: 52 Pages Perforated for Ease in Duplication, 8 1/2 X 11 Inches

Make learning fun with The Glad Scientist! Parents, teachers, and elementary age homeschoolers can share each of the 16 experiments that reveal Gods handiwork in nature. The book is 8 1/2 x 11 in size, contains 52 pages and Scriptures in NIV. Accompanying worksheets for each experiment allow junior scientists to record their hypothesis, execution, and conclusion for each experiment. The book shares a profile of a famous scientist and tell how their faith impacted his or her life.
