

Nelsons Electronic Bible Reference Library: Basic Edition - 21 Books (Jewel Case w/CD ONLY: While supplies last)

Designed for Bible students, pastors and lay people, this collection contains Nelsons most widely used Bibles and Reference works. With 19 titles, including: 4 Bible versions, 2 cross-references, 3 word studies, 4 books of maps and charts, 3 background dictionaries, 3 commentaries & study bibles and 57 additional titles for you to customize your electronic library, you will have the tools you need to make your study and/or lesson preparation more simple, yet more complete. Never has a similar collection been available electronically. The backbone of this powerful tool is the Logos Library System (LLS)v.2.1. The LLS is fast becoming an industry standard in the preparation and delivery of religious reference material and publications. By setting this standard, publishers like Thomas Nelson can provide to you a common software platform to showcase our greatest works.
