

# Mystery at the Aquarium (A Nightlight Detective Book)

Fishy Friends Aquarium is closing for the night when fish feeder Fred spots something wrong at the Shipwreck Exhibit. The treasure chest treasure is missing! Can junior detectives help Sergeant Sally work out this fishy case? Yes! Simply slide the Nightlight Detective paper flashlight under each page to light up the clues as the story unfolds and solve the mystery. Each nightlight scene page features clues kids can search for by sliding the paper flashlights beam between the acetate page and the dark backing, highlighting different parts of the museum. Charming, funny illustrations bring the lighthearted mystery to life. Interactive prompts involve children in the story as they search for evidence, follow footprints, and find the not-so-scary culprit! 42 pages, including 8 see-through pages of nightlight mystery scenes. Covered wire-o binding lies flat, so pages are easier to explore. 8-1/8 inches wide x 10 inches high. For ages 4 to 9.
