

Nonprofit Brilliance: A Guide to Creating a Bright Future

Nonprofit Brilliance guides nonprofits of all sizes toward a desired future. Inspiration, aspiration, and wishful thinking are not enough to guarantee a sustainable future. High functioning, mission achieving nonprofit status can only be reached through a culture that thrives on knowing itself, its capabilities, and understanding what needs to be done in the future before tomorrow arrives.

Nonprofit Brilliance shows leaders how to engage employees in strategic thinking, planning, managing, and creating the future you have always envisioned. It presents a framework for creating diverse teams to promote culture and product improvement, behaviors that encourage strategic thinking, the importance of aligning all work with vision for the future, and how to engage all stakeholders with mission delivery.

Benefits to reading Nonprofit Brilliance. You will learn how to: Make data-based decisions Engage all employees with organizational problem solving Develop and use templates and charts to collect and analyze data Create a meaningful and realistic mission statement that leads to a deep commitment to the mission Identify and monitor your organizations vital signs

Embed change into the very fabric of your culture with the reassurance that change does not need to be painful Create a dynamic and engaged board Use a budget to design the future Appeal to new donors
