

Have I Got a Book for You!

The bestselling author-illustrator and creator of publishing sensation Scaredy Squirrel presents a character you just can't say "no" to: salesman Mr. Al Foxword. Al can sell anything. You can't help but be impressed by his lineup of satisfied customers: he's sold an icebox to a penguin, an umbrella to a fish and a dirt vacuum to a mole. Al knows you're looking for a great book, and this is your lucky day. Say goodbye to books that leave you bored and uninspired. Research shows that 100 percent of Al's customers notice a dramatic increase in happiness after buying his book. Not totally convinced yet? Just when you think you're ready to close the book on this relentless salesman, he comes up with a clever tactic that you simply can't refuse. The retro design and the sheer absurdity of Foxword's powers of persuasion make for an off-the-wall picture book with major crossover appeal that pokes fun at our hard-sell society.
