

Baby Animals (My First Creativity Activity Books)

Children will be charmed by playful puppies, kittens, baby birds, and other tiny animals. Some are hiding, others need coloring, and there's also a kitten face mask for kids to cut out and wear in *My First Creativity Book: Baby Animals*. This title is one in a new series of activity books designed very much like Barron's popular series of *Creativity Activity Books* for older children. However, Barron's *My First Creativity Activity Books* are produced in a slightly smaller size and have slightly easier projects that will appeal to younger children. Every title in this attractive new series features-- Clever coloring exercises Easy connect-the-dot drawing projects Spot-the-difference illustrations Mazes, puzzles, and simple construction activities Four pages filled with 200 full-color stickers Fold-out double-page illustrations for decorating with stickers Illustrations throughout each activity book include 28 pages in color. Developed by educational experts to stimulate the imaginations of younger children, these attractive books will give boys and girls many hours of entertainment.
