

## Stormy's Hat: Just Right for a Railroad Man

Stormy Kromer is an engineer who loves driving trains. But he has one problem: he can't find the right hat for a railroad man. He tries a derby, a cowboy hat, and a fireman's hat. Nothing works. Stormy tells his wife, Ida, not to worry, he'll figure out something. But Ida isn't worrying; she's thinking. If only Stormy would listen ... Brought to life by Andrea U'Ren's colorful paintings, this spirited story is loosely based on the actual creation in 1903 of the hat still used by railroad workers today.
