

## That Pesky Rat

The creator of Clarice Bean has conjured up a clever alley critter so appealing and so hilarious that young readers will be begging to take him home. Sometimes ... I look up at all the cozy windows and wonder what it would be like to live with creature comforts ... to be a real pet. Most of all I would like to have a name, instead of just that pesky rat. A glamorous life in the lap of luxury like Pierre the chinchilla would be very nice. But really, our hero's not that fussy - he just wants to belong to somebody. With his cute, pointy brown face and beady eyes, why can't he get someone to take him home? Even a notice posted at the local pet store seems fruitless, until one day a nearsighted old man stops in and speaks the amazing words: I'll take him. After all, he says, he's been looking for ages for a brown cat as nice as this. In her latest tour de force, acclaimed author-illustrator Lauren Child introduces a surprisingly endearing character, and assures young readers there's enough love for all of us.
