

WHY? (minedition Classic)

A frog finds a beautiful flower and picks it for himself. When a mouse sees him with it, his jealousy overcomes him, and he swipes it. The frog's friends come to his aid and chase the mouse away. But before the frogs can celebrate, the mouse's friends return for a counter-attack. Before long the conflict has devolved into a full-scale frog-mouse war. By the end of it, all either side can ask is: why? This seemingly simple book tackles an important subject and will be an invaluable way to talk to young children about conflict and warfare.
