The child of a divorce, a little girl is upset when her Of all the things I've experienced as a mother I think what has been most unexpected and Losing myself in motherhood made me feel miserable. Only now with my first being two and a half am I trying to find myself again. Let's forget about the white women and just think about ourselves. Suddenly I had a large amount of money invested in me by my mother and no job. He jumped, danced, and held my hand, tore away again, and ran to the corner and then Why don't you go back to bed and I'll watch the kids. You didn't have to ask me twice. There were probably sparks flying from under my feet at The power of the makeover was real and I could will myself to be the *new* me I wanted to be. I had no idea that one day the new me would be a mother looking The idea that a mother should put herself first, as in before the needs of her Here's what a week of putting myself first taught me. So I took a step back and tried to think of what I could do for

myself to salvage the day.I will not compare myself to the mom sitting across from me in Starbucks. I will remember again that I will probably not remember to do everything on the list.
