

Big Cat, Small Cat

An interactive, full color book about cats of all sizes, shapes and dispositions, *Big Cat, Small Cat* introduces children to rhyming and opposites in a fun and engaging way. *Big Cat, Small Cat* takes readers through a fantastical world of felines, where they will encounter many different pairs of cats from good and bad to happy and sad. The book's sing-song text leaves out the last word of each page, allowing little ones to chime in and complete the rhyme. Captivating, colorful illustrations provide clues for the words that have been left out. Introducing words like dirty, clean, nice, and mean, *Big Cat, Small Cat* teaches children about rhyming and opposites with a fun, fill-in-the-blank challenge that encourages participation. The illustrations by accomplished illustrator and cartoonist Ami Rubinger are charming and unique, depicting a variety of humorous cats that will engage young and old readers alike. With its message of acceptance, *Big Cat, Small Cat* evokes compassion for animals and presents an important lesson in diversity: cats like people come in many different shapes, sizes, and personalities. Beyond its wide general appeal, this book will interest children who have pets and all animal lovers.

The biological family Felidae is a lineage of carnivorans colloquially referred to as cats. Domestic cats and big cats underwent convergent evolution for this trait. .. The smallest cat species are the rusty-spotted cat and the black-footed cat. - 3 min - Uploaded by michael jamison TO DONATE go to the PAYPAL logo on front page ,top right.
